

August Schell NASA SEWP V Ordering Guide Group C Contract - Small Business Set-Aside (NNG15SD80B)

WHAT IS SEWP?

The NASA SEWP (Solutions for Enterprise-Wide Procurement) GWAC (Government-Wide Acquisition Contract) provides the latest in innovative Information Technology (IT) products and services for all federal agencies and their approved contractors. The contract can provide the latest in commercial ICT/AV products and services, in addition to having an outstanding track record of providing the latest technology to federal agencies.

August Schell offers best-in-breed IT services and software solutions to our clients through the SEWP contract. The SEWP contract itself can offer a wide range of advanced technologies to all federal agencies.

Through SEWP, agencies can find an exact fit for their needs at the best overall value by choosing the right solutions offered directly by leading hardware and software manufacturers and experienced government integrators and service providers.

WHAT IS THE SCOPE OF SEWP?
